

## **COVID-19 RED Setting – Events Health & Safety Plans for the Caledonian Ground**

**The plans below have been implemented to keep our participants, officials, and spectators healthy and safe and to reduce the chances of COVID 19 occurring in the community. We ask you respect these plans.**

**If you are feeling unwell or have any symptoms – Stay at home and get tested.**

### **Before event**

- Members to be advised ahead of time, to outline event protocols
- Ensure all Members understand PPE, Work-safe and H&S guidelines

### **Athletes**

- Athlete access to the Caledonian is via the southern turnstile gates . Ensure social distancing of 1m is adhered to on entry.
- Vaccine Pass is required for entry.
- Ensure you complete Contact Tracing on entry
- **Physical distancing of one metre should be maintained.** (The only exception is while competing on the track)
- All athletes to be briefed of processes in place for each event prior to the start of the competition
- **Face coverings are recommended, except when competing and compulsory indoors and the grandstand.**
- Sanitiser available at each event.
- Athletes to avoid the southern end of the grandstand. This will be the designated area for spectators. You may use the area closest to the Control Rooms.
- When visiting the indoor facilities please ensure you allow for social distancing requirements. Do not loiter.

### **Officials**

- Access for Officials is via the southern turnstile gates, ensure social distancing of 1m is adhered to on entry.
- Vaccine passport is required for entry.
- Ensure you complete Contact Tracing on entry.
- An official/volunteer will be responsible for ensuring QR scanning, Vaccine Passport requirements and manual processes undertaken at all gates
- **Face coverings are recommended within the Caledonian Ground and compulsory indoors and the grandstand.**  
Unless you are part of the admin team (Results, Entries, Camera and timing or announcers) please keep your time in the Control rooms to a minimum.
- All athletes to be briefed of processes in place for each event prior at the start of the competition
- All equipment used, to be cleaned & sanitised prior to and after competition.
- Physical distancing of 1m to be followed by officials where possible in the competition arena and 1m to be maintained outside the arena.
- Sanitizing and cleaning equipment will be available and stored in the equipment sheds.
- All waste/PPE to be removed and disposed of safely.
- Cleaning of shared spaces (doors, boxes, chairs etc.)

### **Spectators**

- Spectator access to the Caledonian is via the southern turnstile gates.
- **Physical distancing of 1 metre should be always maintained (except for Family)**
- Vaccine Passport required for entry.
- Ensure you complete Contact Tracing on entry.
- **Face coverings are recommended within the Caledonian Ground and are compulsory indoors and the grandstand.**

- Spectators are to move directly to the Southern end of the Grandstand or
- Spectators may watch events from the grass bank area but must access this by walking down behind the grandstand to the Northern end and then moving around the track perimeter anticlockwise to view field events.
- All spectators must avoid the paved area between the 100-metre start line and the finish line, other than when moving directly to the Grandstand.
- When visiting the indoor facilities please ensure you allow for social distancing requirements. Do not loiter.

### **Management Protocols**

- Communicate the expectations and usage protocols with Athletes, Officials and Spectators
- COVID-19 Response plan identified (informing Healthline 0800611116)
- Adhere to all regular H&S processes.
- Regular communication with Athletics Otago and DCC representatives.
